INTRODUCTORY COMMENTS

This Amendment is responsive to the Office Action mailed on July 7, 2005, in which claims 1-11 were pending. The drawings and specification were objected to, and all claims 1-11 rejected in the Office Action.

By this response, the specification is amended by substituting a new title. Pending claims 1-11 are canceled and new claims 12-22 are submitted.

Entry of this amendment and reconsideration and allowance of the application are requested.
